DETAILED ACTION

Status of Claims

1. Claims 1-31 and 46-61 are pending in this application.
2. Applicant's arguments filed on August 18, 2001 have been entered and reconsidered, however, the rejection of claims 1-31 and 46-61 based upon a defective reissue declaration under 35 U.S.C. 251 remains unchanged.

Reissue Applications

3. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error, which is relied upon to support the reissue application.

See 37 CFR 1.175(a)(1) and MPEP § 1414.

Applicant's declaration does not provide a proper explanation of the error in the original specification or claims. In identifying the error, it is sufficient that the reissue oath/declaration identify a single word, phrase, or expression in the specification or an original claim, and how it renders the original patent wholly or partly inoperative or invalid.

1. Claims 1-31 and 46-61 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the defectiveness is set forth in the discussion above in this Office action.

Allowable Subject Matter

2. Claims 1-31 and 46-61 are allowed over prior art of record.
